

Junior After School Care Program: Term 4, Week 3, 2024

Learning Goal	Children will participate in activities to enhance self-awareness and build confidence as they explore their personal interests and unique identities. Through activities, they will celebrate their individuality while actively engaging with others in group settings.	MTOP 1.1 MTOP 1.2 MTOP 1.3 MTOP 1.4
Sustainability Goal	This week, we will promote sustainability by growing our seedlings that we planted last week! Each day, children will participate in activities to care for their plants, learning about the role plants play in our environment.	MTOP 2.4
Cultural and Community Goal	This week, children will explore Halloween and its various cultural traditions, deepening their understanding of how different communities celebrate this occasion. By engaging in activities related to Halloween customs from around the world, children will develop an appreciation for different cultural perspectives.	MTOP 2.2 MTOP 2.1
